STATEMENT:

David Cobb and Patricia LaMarche invite Alaskans to vote for a healthy future, based on healthy people and communities, sustainable local economies, and clean air, water, and land.

We call for health care for every American through a Canadian-style single-payer health care program.

Energy independence is achievable only through a shift to renewable fuels. Conservation, fuel efficiency, and wind-powered generation of hydrogen will help America become energy self-sufficient and provide jobs in industries using clean, renewable, domestic resources. We must slow global warming and keep the Arctic Refuge wild for future generations.

Restore diplomacy and world leadership. Green foreign policy is based on nonviolence, cooperation, diplomacy, respect for the democratic process, and the protection of human rights and the environment. We oppose the military draft.

Restore government to the people. We stand for campaign finance laws that will level the playing field for all citizens. We need Instant Runoff Voting, Proportional Representation, and abolition of the Electoral College.

We call for equal rights for all including: Native peoples, people with disabilities, lesbian and gay people, including the right to marry. End the racist War on Drugs and repeal the Patriot Act.

We call for support for small businesses, laborers, the self-employed, and a living wage to replace the poverty-level minimum wage. America needs a prosperous, sustainable economy encompassing public and private investment, full cost pricing, clean technologies and practices, and economies focused on local needs.

Please vote David Cobb for President and Patricia LaMarch for Vice-President for a better world.
